

REACH YOUR AUDIENCE WITH SMART, ORIGINAL CONTENT

Original content — whether it's hosted on your site, OregonLive or our publisher network sites — establishes your brand as a thought leader and an authoritative voice in your industry. Well-researched content is tailored to your audience's preferences and behaviors, helping your message and mission become part of their lifestyle. Articles, graphics, photos, videos and other formats create a consistent but layered narrative, setting you apart from competitors, amplifying your brand and, overall, increasing business.

CUT THROUGH ONLINE CHATTER WITH CREATIVE THAT CLICKS

The best site, service, event or product won't get noticed when it's promoted by ads that miss the mark. Whether you need a refreshed look or a new perspective on campaign strategy, Studio1850's creative development service will upgrade your marketing presence and performance. We research your brand, customers and competitors to pinpoint campaign goals and craft effective messaging and imagery to achieve them. We'll also recommend testing options to tease out what works best with your target audience.

RAISE YOUR BRAND'S ONLINE STATURE WITH A STRONG SITE

With a strong site to represent your business online, your customers have an online resource that clearly communicates your brand's mission and message. Aside from the search and mobile benefits of a new responsive hub, Studio1850's modern, well-designed sites encourage conversions and leaves visitors with a positive impression of your business. Further branding and design services elevate a functional site upgrade to a full exercise in positioning your business in the market, resonating with new customers and inviting them to take the next step.

STAND OUT WITH A BOLD, ON-BRAND SOCIAL PRESENCE

Studio1850's social deliverables enhance Oregonian Media Group's existing Social Presence Package to give your business a strong brand voice on social media. Our additional brand research ensures posts are relevant and engaging, giving you greater flexibility to respond to trends, catch your audience's attention and participate in the current conversation – not just promote your services or products. Post copy, graphics and other assets by Studio1850 help you build a dynamic voice and unique follower experience.

CREATE UNITY & IDENTITY WITH SOLID BRAND DIRECTION

Branding is the foundation for how customers see your company, as well as how your employees represent it; it's the difference between a logo and connotations people associate with it. Solid branding also brings short- and long-term goals into focus, helping your business unite behind important initiatives and make purposeful decisions. Brand guidelines by Studio1850 will bring your mission to life and give your business a strong identity. Our creative team can help to shape the voice and imagery on your site, in campaigns, in collateral, at events and beyond.
