

The Path to MEMBERSHIP Excellence

The Value of Proposing a New Member

By Dave Hanna, Membership Committee Chair

Membership at MAC offers an array of benefits and opportunities that extend far beyond the walls of its facilities. To join the club is to embark on an extraordinary journey, stepping into a rich legacy of athletic excellence, community belonging, and the creation of unforgettable stories. You are part of a vibrant community, where lifelong friendships are forged and health and wellness goals are pursued — and proposing someone for membership is not only an act of generosity but also a way to enhance the club experience for all.

One of the primary benefits of proposing someone for membership is the opportunity to share the cherished club experience with those closest to us. Think of the individuals in your life who would thrive within the supportive community, exceptional facilities, and enriching programs that the club provides. By proposing them, you are extending an invitation to be part of something truly special, creating the potential for deeper connections and shared moments of joy.

Proposing someone for membership is also an act of advocacy. You become a trusted advocate for the individual you propose, vouching for their character, values, and potential contributions to the club. It is a unique

way to compliment and validate those who have played a substantive role in your life. Additionally, this act of support can be immensely valuable, particularly for individuals who may be new to the community or who are seeking a place where they truly belong. You are actively shaping the future of the club, ensuring that it continues to evolve and remain special for generations to come.

Take a moment right now and think about those individuals who you know fit the criteria for becoming members of Multnomah Athletic Club. Please use the invitation attached to invite them to join you at MAC! Need help with resources to perfect your outreach? The Membership office is always available to assist you with your efforts.

The Value of Diversity Admissions Pathway to Membership

By Ann Blume, Diversity Admissions Committee Chair

In today's diverse and interconnected world, clubs that embrace and celebrate diversity have a significant advantage in shaping vibrant communities. Recognizing the immense value that diversity brings, many clubs have implemented a diversity admissions pathway to membership. MAC has long supported this pathway. Although the program name has changed over the years, the commitment remains. This pathway prioritizes diversity and inclusivity in the membership process and offers a multitude of benefits to both the club and its members, including:

- **Enhanced perspectives and experiences:** The diversity admissions pathway brings together individuals from various backgrounds, cultures, and experiences.
- **Cultivating a welcoming environment:** The diversity admissions pathway creates an inclusive atmosphere

that embraces individuals of all backgrounds. It sends a clear message that the club values diversity and aims to provide a safe space for everyone.

Each new member brings with them unique perspectives, passions, and talents, enriching the overall club experience for everyone. By embracing diversity, clubs unlock the power of unity and create spaces where everyone can thrive. Visit themac.com/web/pages/diversity-admissions-program for more information about the club's diversity admissions pathway.

Getting a Taste of MAC

The club continues to expand its welcome series for both new and prospective members. Applicants get a taste of the experiences and benefits they can expect when they join. For new members, these are opportunities to connect with board and committee members. The series includes member-led tours and exclusive invites, which are designed to give a glimpse of what's to come when they elect membership.

MAC Waitlist Newsletter

Being part of a club community is about more than just access to club facilities. It's about building relationships and connections that last a lifetime. While on the membership waitlist, applicants have access to some hand-selected events to try out. They receive the club's monthly waitlist newsletter, which is packed with helpful content and event invites that give them a taste of what life is like at the club.

Welcome To Happy Hour!

New members at the club have been thoroughly enjoying and actively attending the revived monthly new member happy hours. These events provide a fantastic opportunity for new members to meet and socialize with fellow club members in a relaxed and welcoming atmosphere. It allows them to build connections, make friends, and feel a sense of belonging within MAC's vibrant community.

The positive feedback received from new members highlights their appreciation for the chance to network, exchange experiences, and learn more about the club's offerings. The monthly new member happy hours have proven to be a great success in enhancing the overall club experience for newcomers. Later this year, the club is also looking at adding an orientation that reviews Club Rules.

The MAC Experience

There’s more to MAC than most new members imagine. Whether just joining or reacquainting oneself with club facilities and services, check out the following channels for content meant to maximize membership.

Start Your Journey

New members in their first year of membership are invited to a personalized introduction to club fitness and wellness resources. They are offered a one-on-one resource session to help them get started on their wellness journey.

Personalized for Your Passions

Tailor your club experience by updating your interests on the “My Interest” page. By curating your preferences, you allow MAC to prioritize what truly matters to you.

Connect To Community

Get started by attending a new member happy hour, trying a new sport, experiencing a signature club event, or joining a committee to play an active role in shaping the club community.

Access Everything with Ease

Download the MAC app and stay tuned into the latest club happenings with a customizable newsfeed and more. Download the app on the App Store or Google Play.

Bring MAC with You, Anywhere

MAC@Home allows you to attend virtual club fitness classes, rewatch educational webinars, and engage in workouts with prerecorded videos from the club’s fitness instructors. Visit vimeo.com/wingedm.

Bond Beyond The Club

Follow the club on Instagram for updates, activities, and highlights. Connect with fellow members through private groups on Facebook and Strava.
